

Hazel Class

Reading: Essential Free audiobooks:

[cbeebies storytime](#)
[world of stories](#)

Reading scheme books:

[Big Cat e-books reading scheme](#)

select Teacher sign in

username: parents@harpercollins.co.uk

password: Parents20!

These books are linked to your child's reading book band colour and include lots of non-fiction books too. There is also an activity linked to each book that you may like to have a go at.

I have also included a comprehension about Florence Nightingale under the homework tab.

English

This week you could choose

to look at BBC Bitesize or

Literacy Shed, if you have been enjoying using these resources.

Alternatively, you might want to have a go at writing a poem, like the ones in George's Marvellous Medicine. Have a look at [Lesson 1 here](#) for some ideas to get you started!

Week beginning 27.04.20

Spellings

Please continue to practise spelling the common words.

There are weekly spelling lists available on the Hazel homework page. This week

If you are confidently joining your letters, please practise your spellings in your handwriting book. If you still need to practise joining your letters, then use [Teachhandwriting](#) to help practise letter joins. This week you could try the ed/ing joins. See if you can write these words: sing, ting, ding, king, ping, ring, wing, bed, led, ned, ted, wed.

Maths:

[Numbots](#)

[White Rose Maths](#)

This week looks at Length.

You might also like to explore [nrich](#). This site has lots of reasoning and problem solving ideas.

Alternatively, you might prefer to continue practising and reinforcing arithmetic skills. That is great too! Even just solving 5-10 calculations a day will really help!

Maths KIRFS :

Count in multiples of 3 up to 12 x 3 in order from 0.

You can find lots of catchy songs to support counting in 3s online.

[BBC 3 times table song](#)

Recall all number bonds to and within 10 fluently.

Try playing [Hitthebutton](#) for practising this. Or maybe get outside in the garden and try practising with a ball. As you throw the ball give your child a question such as $7 + \underline{\quad}$. As they catch the ball they need to tell you the answer. Or maybe even make a paper version of the game pairs. [conkermaths](#)

Recall addition and subtraction facts to 20 with growing fluency. See the Summer 1 homework sheet for more ideas.

Topic: Muck, Mess and Mixtures

Our topic this term is history based looking at finding out about famous nurses and doctors who have helped us in the past.

Perhaps this week, you could compare Florence Nightingale/Mary Seacole's work to that of a modern nurse. Maybe think ideas such as the clothes they wear, the hospitals they work in and the jobs that they do.

If you try any of the homework activities why not send us an email or share a picture on the website to show us what you have been up to.

Physical Activity

Real PE [click here](#)

Home access to PE and fun movement activities we subscribe to in school)

Email: parent@westoxford-1.com

Password: westoxford

[Joe Wicks Daily Workout](#)
[supermovers](#)
[Cosmic Kids](#)
[Go Noodle](#)

[Phonics Play](#) – range of phonics and spelling games for YR-Yr2

Username: march20

Password: home

Remember that there is a link to Spelling Play which better supports the Year 2 spelling curriculum. Try the vowel suffix activities here [Vowelsuffixes](#) You do need flash for the games but there are some sheets you could try too.

Science:

This week, why don't you try keeping a food diary. Did you manage to eat food from all of the food groups?

Look here for some ideas [Eatwell](#) and [BBC](#)

Draw your favourite meal of the week and label all the different food groups you ate.

Or you might prefer to do a really messy activity like making gloop! (If you can manage to find any corn flour!)

Emotional Literacy Support (ELSA)

[Breathing Exercises](#) Everyone can breathe can't they? Try out some of these exercises. Deep breathing is important to practise as we can then use it when we hurt ourselves or feel worried or upset.

[Galaxy Jars](#) Maybe you could have a go at creating one of these Galaxy Jars. They are also sometimes called Nebula Jars. These are great to use in conjunction with a breathing exercise to help you feel calm.

The Great Bug Hunt Competition 2020

Go into the garden or any outside space you own and see what bugs you can find.

Click [here](#) to find out what you need to do to enter.

Closing date for entries is 12th June.

On our school website ...

Why not:

read this week's newsletter for children?

discover who has a birthday?

submit a book review?

read a short story written by someone in your class and write them some encouraging feedback?

submit a photo to our NL Community @ Home page?

[BBC Bitesize Learn & Revise KS1](#) This page will take you to a vast collection of high quality learning clips, games and quizzes from the wider curriculum.

[BBC Bitesize daily](#) Here are 3 short interactive lessons available each day: Maths, English and one other subject from the wider curriculum, all from one easy to navigate page.

[Oak National Academy](#) This new site provides 3 daily lessons: Maths, English and one other subject, including video lessons and resources.
