

Rowan Home Learning

week beginning 27.04.20

Reading: Essential (20 mins+ each day)

Make some time for reading a good book or tune into an audio story.

Free resources to have fun with books

[Draw with author Rob Biddulph](#)

[Storynory - audio books alongside the written text world of stories](#)

It's great to see some more book reviews on our class page [click here](#). Challenge yourself to complete two of these by May "Half Term". This is a good way to find out what your friends have enjoyed reading too.

[Reading Comprehension](#) This week have a go with "Delivery 'Bot" on Page 7. Read the story extract and then answer the 10 questions. There are answers for you to check your own work.

English

Literacy Shed [here](#) has some lovely lesson packs based on film clips.

This week enjoy watching [A Cloudy Lesson](#), about a cloud maker and his grandson making clouds together. Things however, don't go according to plan and the pair of them learn that good ideas come from happy accidents.

Then why not write a set of instructions to teach a new trainee how to make clouds. Can you start each instruction with a "bossy" (imperative) verb eg carve, blow, release? You could also write a diary entry, pretending you are the boy from the clip. There are some questions and a word bank on Pages 6&7 of [this activity pack](#) to help get you started.

Spellings

This week: Adding a suffix *-ly* when you need *-ily*

happy happily
angry angrily
easy easily
greedy greedily
hungry hungrily
noisy noisily
busy busily
lazy lazily

Adding -ly rule:

When you add the suffix -ly to a word with more than one syllable ending in y, the y changes to an i

*eg ha ppy + ly = happily
guilt y + ly = guiltily*

*but with a one syllable word, just add -ly
eg bad + ly = badly
shy + ly = shyly*

Maths:

[TT RockStars](#)

Can Rowan beat Oak in a TTRockstar tournament from now until 1st May?

[White Rose Maths](#)

This week (Summer Term Week 2) focuses on finding fractions of a set of objects, which is what we'd just started to explore when school closed. The videos will help you.

Here are some fraction games to help you practice and gain confidence.

[Fractions of a set of objects](#)

[Equivalent Fractions](#)

[Matching cake slices to fractions:](#)

Maths KIRFS :

This term's focus is:-
quick recall of 3x, 4x & 8x table facts including division

Eg $6 \times 8 = ?$

$? \times 4 = 32$

$56 \div ? = 8$

$? \div 3 = 6$ [Hit the Button](#)

And adding and subtracting multiples of 10 (10, 20, 30, 40 etc) from 3 digit numbers mentally

Eg $243 + 30 = ?$

$131 - 20 = ?$

$278 + ? = 308$

$121 - 30 = ?$

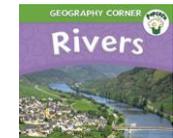

$? + 20 = 212$

Topic: "Flow"

Our topic this term is geography based: learning about rivers and developing our map and fieldwork skills.

There are a variety of Topic related activities for you to choose from over the next few weeks.

You can find these under Summer 1 on Rowan Homework page.

There's an e-book: "Rivers" (also under Summer 1). There are two activities at the end of the book that you might like to do over the next few weeks.

Physical Activity

Real PE [click here](#)

Home access to PE and fun movement activities we subscribe to in school)

Email: parent@westoxford-1.com

Password: westoxford

[Joe Wicks Daily Workout](#)
[supermovers](#)
[Cosmic Kids](#)
[Go Noodle](#)

[French](#) – children can log in to the Pupil Games Area and access French language activities

Username: NorthLeigh

Password: NorthLeigh

Have a go learning the Days of the Week with some sound, picture and word games.

**Science: Forces and Magnets**

This week why not discover the answer to [What is a force?](#)

And find out what [Seymour Science](#) gets up to.

**Emotional Literacy Support (ELSA)**

[Breathing Exercises](#) Everyone can breathe can't they? Try out some of these exercises. Deep breathing is important to practise as we can then use it when we hurt ourselves or feel worried or upset.

[Galaxy Jars](#) Maybe you could have a go at creating one of these Galaxy Jars. They are also sometimes called Nebula Jars. These are great to use in conjunction with a breathing exercise to help you feel calm.

**The Great Bug Hunt Competition 2020**

Go into the garden or any outside space you own and see what bugs you can find.

Click [here](#) to find out what you need to do to enter.

Closing date for entries is 12th June.

**On our school website this week ...**

Why not:

read this week's newsletter for children?

discover who has a birthday?

submit a book review?

read a short story written by someone in your class and write them some encouraging feedback?

submit a photo to our NL Community @ Home page?

[BBC Bitesize Learn and Revise KS2](#) This page will take you to a vast collection of high quality learning clips, games and quizzes from the wider curriculum.

[BBC Bitesize daily](#) Here are 3 short interactive lessons available each day: Maths, English and one other subject from the wider curriculum, all from one easy to navigate page.

[Oak National Academy](#) This new site provides 3 daily lessons: Maths, English and one other subject, including video lessons and resources.
