

Rowan Home Learning

week beginning 04.05.20

Reading: Essential (20 mins+ each day)

Free resources to have fun with books

[Authors Live on Lockdown](#)

Each week, Scottish Book Trust highlight three past broadcasts (KS1, KS2 & secondary) that families can watch together at home at any point, with a link to a vast library of:-

[Authors Live on Demand](#)

Cressida Cowell reads her book: [How to be a pirate](#)

Looking for your next favourite read?

Come to [Bookfinder](#) for inspiration.

[Reading Comprehension](#) This week have a go with "The Chase" on Page 11. Read the story extract and then answer the questions. There are answers for you to check your own work.

English

Literacy Shed [here](#) has some lovely lesson packs based on film clips.

This week enjoy watching [The Black Hat](#) about a boy who finds an old black hat on one of his long walks. When he lays it by his bed each evening, beautiful creatures emerge. The boy captures the birds so that he can marvel at their beauty. After the birds escape, he finally understands that they need freedom to let their beauty show.

Why not write your own story about beautiful creatures that come out of your hat and what happens next. How about sending them to Rowan's short stories for your friends to enjoy. There are more writing activities you may like to do in [this activity pack](#).

Spellings

This week: Adding a suffix -ly when the root word ends -le

gentle gently

Maths:

[TT RockStars](#)

Can Rowan beat Willow this week in a TTRockstar tournament from now until 8th May?

[White Rose Maths](#)

This week (Summer Term Week 3) focuses on **money**: converting £ to pence, adding & subtracting money. We did this a little while ago – but it will be good revision practice. There is a new Friday challenge – 4 questions to test your problem solving skills. These look excellent.

Maths KIRFS :

This term's focus is:-
quick recall of 3x, 4x & 8x table facts including division

Eg $6 \times 8 = ?$

$? \times 4 = 32$

$56 \div ? = 8$

$? \div 3 = 6$ [Hit the Button](#)

And adding and subtracting multiples of 10 (10, 20, 30, 40 etc) from 3 digit numbers mentally

Eg $243 + 30 = ?$

$131 - 20 = ?$

$278 + ? = 308$

$121 - 30 = ?$

$? + 20 = 212$

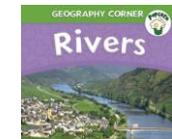

Topic: "Flow"

Our topic this term is geography based: learning about rivers and developing our map and fieldwork skills.

There are a variety of Topic related activities for you to choose from over the next few weeks.

You can find these on Rowan

Homework page under 20.04.20.

This week you could find out about two children living in different cities both with a river running through [here](#). Together they illustrate the cultural & geographical differences & similarities of these two distinct places.

Have a go learning the **Months of the Year** with some sound, picture and word games.

**Science: Forces and Magnets**

This week why not discover the answer to [What is gravity?](#)

And find out how gravity keeps the planets in orbit around the sun with [NASA Science Space Place](#)

**Emotional Literacy Support (ELSA)**

[Roll A Positive Question](#) It is sometimes hard to appreciate the positive things in our lives when we are feeling so restrictive. Play this game as a family - you just need two dice (no need to print it off).

[Favourites Game](#) There are two versions of this game to choose from. Roll a dice and whichever number you land on, you tell the rest of the players the answer to whichever favourite you have landed on.

**Competition Time**

John Lewis and Waitrose are asking children of all ages to help them create a [Super Bear](#) cuddly toy, to honour frontline workers and raise critical funds for the NHS. Closing date: Friday 8th May.
