

## Hazel Class

### Reading: Essential

#### Free resources to have fun with books

[Dave the dog is worried about coronavirus](#)

[Hairy Maclary from Donaldson's Dairy](#) by Lynley Dodd

If you love the "Oi Dog", "Oi Cat" series, then [this](#) is for you!

#### Reading scheme books:

[Oxford Owls e-books](#) select My Class Login

NEW PASSWORD

Username: north leigh year 2

Password: Hazel Class

select "My Bookshelf" for new & familiar reading scheme books. It would be helpful to access this for the English learning this week.

### English

This week, I would like you to look at the Oxford Owls page, and find the book Burps, Scabs and Smells (click on the ebooks link and then search by title).

Once you have read or listened to the book then see if you can communicate what you learnt. You might want to make a poster, an information book, poem, a story or even a powerpoint. The choice is yours. If you can't access Oxford Owls, then you might prefer to research the human body and make a little fact book with all of the information you find out!

Thank you to all of you who have sent me some of your work this week. It was lovely to see it all. I look forward to reading all of your '*disgusting*' work this week!

## week beginning 11.05.20

### Spellings

This week there is a chance to practise adding suffixes to words ending in y. Try some of the games for Year 2 spelling rule 12 and 13 [here](#)

Try to practise these common exception words this week too....

there their they're

Who where what when

For this week's handwriting please try the

**Continuous Cursive Letter - bottom to c shaped letter joins** [Handwriting](#)

### Maths:

Continue working on [whiterosemaths](#). The sheets can be found under the homework tab.

This week's learning continues with the theme of addition and subtraction. It moves on to looking at how to solve these calculations using a formal method. I would recommend that some of you make some diennes, maybe out of card, to support learning. Alternatively, children could draw tens and ones to help. Mathsframe also has extra sheets and games to help practise these skills.

You also might like to play this game on [nrich](#)

### Maths KIRFS :

Count in multiples of 3 up to 12 x 3 in order from 0.

Recall all number bonds to and within 10 fluently.

Recall addition and subtraction facts to 20 with growing fluency. It will really help you with the maths this week if you focus on number facts!

See the Summer 1 homework sheet for more ideas.

### Topic:

This week, can you try and design and make a pizza for your tea. Here are some pizza [recipes](#) to try. One is for pizza toast, in case, like me, you can't find any flour at the moment!

I'd also really like you to try some different vegetables this week that you could include on your pizza.

Why don't you also try to design a box for your pizza to go in, or maybe a poster to advertise your pizza. You could maybe send your pizza recipe to a friend to try.

**Physical Activity**

Real PE [click here](#)

Home access to PE and fun movement activities we subscribe to in school)

- [Joe Wicks Daily Workout](#)
- [supermovers](#)
- [Cosmic Kids](#)
- [Go Noodle](#)

[Phonics Play](#) – range of phonics and spelling games for YR-Yr2

Username: march20

Password: home

Remember that there is a link to Spelling Play which better supports the Year 2 spelling curriculum. Try the vowel suffix activities here [Vowelsuffixes](#) You do need flash for the games but there are some sheets you could try too

**Science:**

This week, watch this clip about the [human body](#)

Use [kiddle](#) to find out more information and our bodies or our skeletons.

Maybe you could even send me a poster showing me what you have found out about the different parts of the body.

**Emotional Literacy Support (ELSA)**

[Rainbow Mindfulness Walk](#) If you go for a walk during your exercise for the day, why not have a try at this? You could create your own version if you don't have a printer.

[Sun Salutation](#) Here is a short Yoga exercise that you could do at home. Why not try it out in your garden if the weather is warm enough?

[May Well-Being Calendar](#)  
Practical ideas for every day of May to help keep busy whilst caring for well-being.

**Singing Fun**

[Out of the Ark Music @ Home](#)

Lift your mood and energy with singing – 7 songs released each week with related activities. There's one for each day:

- Move-It Monday
- Together on Tuesday
- Well-being Wednesday
- Thinking Thursday
- Friday Fun
- Family Saturday
- Faith-filled Sunday

**From our school website this week ...**

Why not:

Choose a [Video Challenge](#) to enjoy doing with a member of your family and [let us know](#) how you got on

See how many NL children had a birthday last week? (Clue: [Weekly news for children](#))

See what your friends have been up to with our [NL Community @ Home](#) gallery.

Read a short story from one of our class pages and leave the writer some encouraging feedback.

[BBC Bitesize Learn & Revise KS1](#) This page will take you to a vast collection of high quality learning clips, games and quizzes from the wider curriculum.

[BBC Bitesize daily](#) Here are 3 short interactive lessons available each day: Maths, English and one other subject from the wider curriculum, all from one easy to navigate page.

[Oak National Academy](#) This new site provides 3 daily lessons: Maths, English and one other subject, including video lessons and resources.
