

Rowan Home Learning

Reading: Essential (20 mins+ each day)

Free resources to have fun with books

Learn the secrets of writers and artists from Jacqueline Wilson to Zaniab Mian, with these [exclusive interviews](#) and tips for budding authors. Discover a world of [talking animals](#) and be inspired to create your own [lift-the-flap books](#). Watch the video and be inspired to make your own [lift-the-flap books](#). If you like The Cogheart Adventures by Peter Bunzl, then [this](#) is for you!

[Reading Comprehension](#) This week have a go with "The Decider" on Page 15. Read the story extract and then answer the questions. There are answers for you to check your own work.

Maths:

[TT RockStars](#)

Well done Rowan Class! We won last week's tournament against Willow. How will we get on in this week's tournament challenge?

[White Rose Maths](#)

This week (Summer Term Week 4) focuses on **multiplication & division skills**. The school has subscribed to this site so that we can continue to access the accompanying worksheets (please see an email from the school office 06.05.20) You will find these under 11.05.20 on Rowan Homework page.

Money games to practise & consolidate last week's skills:

[Toy shop](#) [Coins game](#)
[The Change game](#) [Going shopping](#)

For more of a challenge try nrich investigation: [How much did it cost?](#)

English

This week enjoy watching [The Bridge](#) (scroll down towards the bottom of this page) which is too narrow for the animals to pass. If they worked together they could get past. However the bear and the elk are too stubborn and mean to one another and they fall into the abyss. What happens though when rabbit and raccoon meet?

Why not write your own version of this story with a clear moral at the end? You could also write a simple play script / dialogue capturing what the characters say to one another. There are more writing activities you may like to do in [this activity pack](#). Do email me any of your writing (a photo of it is fine). I'd love to read it. rowanclass@north-leigh.oxon.sch.uk

Maths KIRFS :

This term's focus is:- quick recall of 3x, 4x & 8x table facts including division

Eg $6 \times 8 = ?$
 $? \times 4 = 32$
 $56 \div ? = 8$
 $? \div 3 = 6$ [Hit the Button](#)

To practise important number skills, mental addition and subtraction try:

[Daily 10](#), an interactive mental maths activity
This week, select
Level 2 Addition 3 single digits
Level 3 Addition 3 digit numbers and ones
3 digit numbers and tens
(or anything from Level 1 for important skills boost)

week beginning 11.05.20

Spellings This week:

zhun sounds using sion & tion

act action
inject injection
invent invention
hesitate hesitation
express expression
discuss discussion
tense tension
extend extension

Practise with [spelling frame](#).
Select "spelling tiles" to help break words into segments & test yourself too with "Practise / Test"

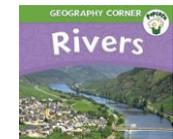

Handy Spelling Tip:

For Root Words ending in t or te
add **-tion**

For Root words ending in ss, se, d, de
add **-sion**

eg ~~complete~~ - **completion**
~~expand~~ - **expansion**

Topic: "Flow"

There are a variety of Topic related activities for you to choose from over the next few weeks. You can find these on Rowan Homework page under 20.04.20.

This week - what can you find out about rivers in the UK? There is a photo of UK rivers under 11.05.20 on our homework page to start you off. Can you locate them on a map? Could you make your own Top Trump card illustrating a set of key facts for a different UK river?

You might like to have a go at the "Where are the major rivers of the British Isles?" activity on [3Dgeography](#).

Physical Activity

Real PE [click here](#)
 Home access to PE and fun movement activities we subscribe to in school)
 Email: parent@westoxford-1.com
 Password: westoxford

[Joe Wicks Daily Workout](#)
[supermovers](#)
[Cosmic Kids](#)
[Go Noodle](#)

[French](#) – children can log in to the Pupil Games Area and access French language activities

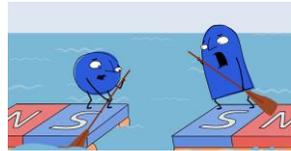

Username: NorthLeigh
 Password: NorthLeigh

Have a go learning how to greet friends and family in French with **Les Salutations**.

Science: Forces and Magnets

This week why not discover the answer to [What is a magnet?](#)

And [Which metals are magnetic?](#)

Emotional Literacy Support (ELSA)

[Rainbow Mindfulness Walk](#) If you go for a walk during your exercise for the day, why not have a try at this? You could create your own version if you don't have a printer.

[Sun Salutation](#) Here is a short Yoga exercise that you could do at home. Why not try it out in your garden if the weather is warm enough?

[May Well-Being Calendar](#)
 Practical ideas for every day of May to help keep busy whilst caring for well-being.

Singing Fun

[Out of the Ark Music @ Home](#)

Lift your mood and energy with singing – 7 songs released each week with related activities. There's one for each day:

Move-It Monday
 Together on Tuesday
 Well-being Wednesday
 Thinking Thursday
 Friday Fun
 Family Saturday
 Faith-filled Sunday

From our school website this week ...

Why not:

Choose a [Video Challenge](#) to enjoy doing with a member of your family and [let us know](#) how you got on

See how many NL children had a birthday last week? Clue: [Weekly news for children](#)

See what your friends have been up to with our [NL Community @ Home](#) gallery.

Read a short story from one of our class pages and leave the writer some encouraging feedback.

[BBC Bitesize Learn and Revise KS2](#) This page will take you to a vast collection of high quality learning clips, games and quizzes from the wider curriculum.

[BBC Bitesize daily](#) Here are 3 short interactive lessons available each day: Maths, English and one other subject from the wider curriculum, all from one easy to navigate page.

[Oak National Academy](#) This new site provides 3 daily lessons: Maths, English and one other subject, including video lessons and resources.
