Spelling Bingo

Spelling practice can be a bit different this term! You can choose a different activity from the bingo "board" each week. When you complete an activity, cross it off on the sheet. You need to complete 5 in a row, vertical, horizontal, or diagonal.

Have fun!!

Create a poem using some of your spelling words.	Choose eight words, and use each word in a complete sentence.	Use a dictionary, and write your words, separating them by syllables. Put a dash between the syllables. Example: gi-ant	Write your words once, and circle the letters that are vowels.	Type your whole spelling list on the computer, using a different font for each word.
Write each word three times in your best cursive.	Fold your paper 3 times to make 8 boxes. Write one word in each box and illustrate it.	Cut letters out of a magazine and glue them onto a sheet of paper to spell some of your words.	Have someone quiz you on your words verbally (you spell them out loud).	List your words in groups by how many syllables each has. (all 2 syllables in a group, all 3 syllables in another group)
Read each word aloud to your parents, and use each one in a sentence verbally – you don't have to write it.	Write each word three times each, using different colours for each set of words.	Quiz your parents on your spelling words!! ☺	Choose your own spelling activity!	Write the spelling list in ABC order BACKWARDS!
Write a maths word problem, using at least two spelling words (solve the problem too).	Write a letter to your teacher, using some of your spelling words.	Write your words once, and circle the letters that are consonants.	Use each of your words in a complete sentence.....in cursive!	Have someone quiz you on your words on paper (you write the words).
Write the spelling list in ABC order.	Use a dictionary and write the definitions of your words.	Write a short story (2 paragraphs) using most of your spelling words.	Play the game "hangman" with a parent, using some of your spelling words.	<u>Rainbow words</u> : Write each word once, using different colours for each letter.
