Here are some ideas for play activities. Scroll down to Learning at Home Packs for Reception and you will see the Play Activities tab.

Ideas are organised into themes: Art, Building, Exploring & Measuring, Helping around the home, Make Believe & Movement.

Understanding of the World:

[Water, water, comparing capacity](#)

Support your child playing with water and exploring capacity by setting up some experiments to pour and fill containers of various sizes.

Emotional Literacy Support (ELSA)

Smile Art – Create some art that either shows you smiling OR of something that makes you smile. Use any media you like, pens, pencils, collage. You could even make an abstract face like [this](#) – just make sure you give your face a smile!

[Sunny Smiles](#) – You can print this off or make your own version if you can't. What makes you smile?

Fun in the rain!

Go on a water droplet scavenger hunt

Have you ever watched raindrops slither and slide down a windowpane? Or gone for a water droplet hunt on leaves, seed heads, twigs and spiders' webs?

You could take photos of them and build up a gallery of water droplet pictures or look for reflections in them.

Maybe use a magnifying glass to investigate them more closely.

Computing

[What is code?](#) Watch the

video to discover how you can tell your computer what you want it to do the game: Help Crash and Boot and their robot Dogg-I find things that can be programmed with code. Try to beat the clock and collect as many as possible.

[Scratch Jr](#) Enjoy programming your own interactive stories and games by snapping together graphical programming blocks to make characters move, jump, dance & sing (available as a free app)
